

COVID-19 Safety Notice

Strategic Kids' COVID-19 In-Person Programming Notice

Safety is our number one priority as we welcome students and staff back to our super fun and exciting in-person learning. All participants, instructors and staff members will be following the safety guidelines in place at the school district, school or organization in which the program is taking place.

For specific information about requirements of students and visitors please contact the facility where the class is taking place directly to inquire.

Please note that policies and guidelines may change at any time depending on CDC, state and local guidelines. For any questions please contact us at info@strateickids.com
