

Academic Chess & Strategic Kids Summer Camp

Orange Coast College

2701 Fairview Rd., Costa Mesa, CA 92626

Camp Location: Cafeteria near the 'Captain' Table'

ACADEMIC CHESS

An amazing, fun & exciting time with daily chess strategies and tactics lessons for all levels. Fun activities and outdoor games that reinforce chess principals. Giant chess set & board on-site (3 foot tall King!). Chess Tournament and Trophies and Prizes!

Mad Science's Chemistry Lab

Come inside and see what spectacular solutions the Mad Scientist has been whipping up! Experiment with some crazy chemistry, learn about exothermic reactions, and create crystals. Have a cool time with dry ice, make an oozing batch of gooey slime, and see what pops up in our explosions lab! It is no wonder this is our most popular science camp!

Strategic Kids LEGO®

Students will use LEGO® to learn about the art and process of problem solving in a hands-on, creative environment. We use LEGOs to teach STEM based lessons in a way children will understand and enjoy. Participants will also learn about the different parts of a story, public speaking, creative writing & more!

Strategic Kids Magic

This magical class promotes public speaking through the performance art of magic! Students will learn 1-2 magic tricks each day and craft some of their own magic gear. Children will also develop motor skills, learn teamwork, and enhance performance skills.

~'Combo Camp' - Please bring a sack lunch daily. Lunch will be from 12:00-12:30.
~Morning or Afternoon - Please bring a snack daily.
