

Spring break camp

At our Academic Chess Center!

ACADEMIC CHESS

An amazing, fun & exciting time with daily chess strategies and tactics lessons for all levels. Fun activities and outdoor games that reinforce chess principals. Giant chess set & board on-site (3 foot tall King!). Chess Tournament and Trophies and Prizes! Pizza will be served on Thursdays during chess!

ACADEMIC ORIGAMI

Children will study the Japanese art of Origami and different aspects of Japanese culture. Origami helps children gain confidence, solve problems, develop patience, visualize results, and plan. Instruction sheets each day explaining what was covered, including the Japanese Kanji character and pronunciation. Students will take home their creations.

Strategic Kids LEGO®

Students will use LEGO® to learn about the art and process of problem solving in a hands-on, creative environment. We use LEGOs to teach STEM based lessons in a way children will understand and enjoy. Participants will also learn about the different parts of a story, public speaking, creative writing & more!

Strategic Kids Magic

This magical class promotes public speaking through the performance art of magic! Students will learn 1-2 magic tricks each day and craft some of their own magic gear. Children will also develop motor skills, learn teamwork, and enhance performance skills.
