Virtual Camps + Clubhouse

Virtual Camps are designed to be flexible for the parents and their student’s learning. The schedules will provide choices throughout the day. Each day students will have the chance to attend at least 3 daily Live Events based on their fall grade level. During the summer the themes and available content each week will change. Therefore not all themes will be available every week, but will be on a rotating schedule.

Here are two sample schedules. The first is for students entering the 2nd grade in the fall. The second is for students entering the 8th grade in the fall. These are samples only - actual schedules will vary based on demand, grade level and week of camp.
